Tell people outside your school about your potatoes!
Tweet a photo of the potato plants or write a few sentences for the school newsletter or website.

Look closely at your two varieties of potato plant. What differences can you see?
You should be able to see your potato plants quite well now!

What is your Head teacher’s favourite potato dish?

Diary Entry

Take a photo of someone asking your Head teacher!

Colour in using your favourite colours

Week 10 - Growing on

Thanks to all of your hard work and regular watering, the tubers are now growing and potatoes are forming.

Have you ever made a potato dish? Have a look at some of the potato recipes on the website.

Send a tweet about your potato plants! Remember to record this on your Potato wall chart! @potatoes4school #potatoes4school

Special Mission
Find out what a 10 week old potato plant looks like under the soil.
